# In Memoriam

*The Saddest Thing*  
 And it's the saddest thing  
 under the sun above  
 to say goodbye  
 to the ones you love  
 All the things  
 that I have known  
 became my life  
 my very own  
 But before you know  
 you say goodbye  
 all the time goodbye  
 it's time to cry  
 But I will not weep  
 or make a scene  
 just say thank you life  
 for having been  
 And the hardest thing  
 under the sun above  
 is to say goodbye  
 to the ones you love  
 I will not weep  
 nor make a scene  
 just say thank you life  
 for having been  
 the loudest cry  
 Under the sun above  
 is a silent goodbye  
 from the ones you love

## Changing Times . . .

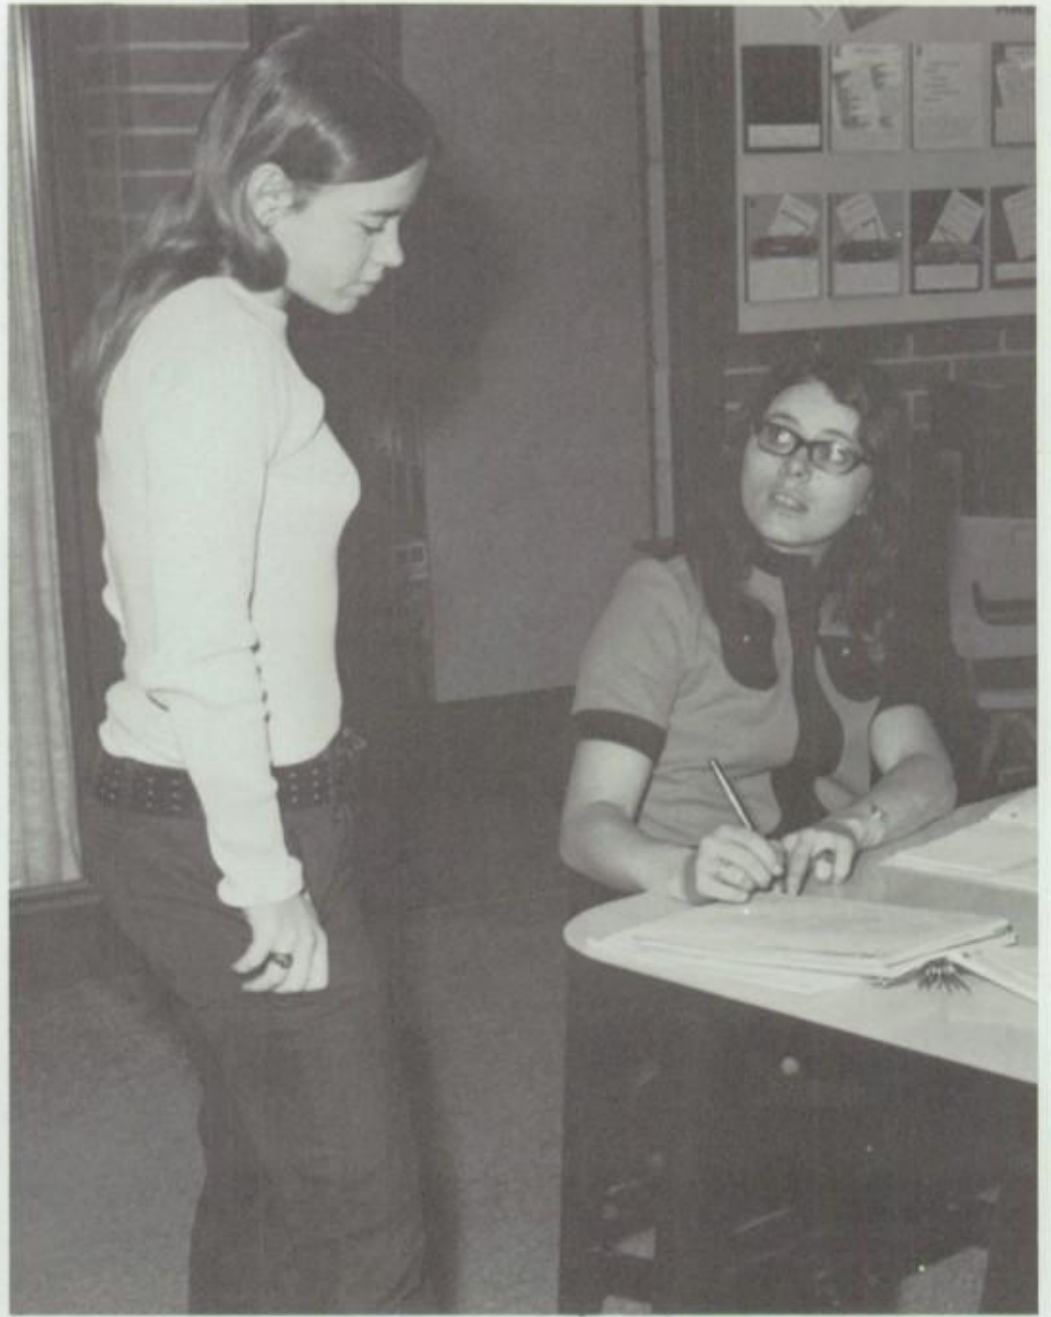

Yes, we all know it's better yesterday has past

Now let's all start the living for the one that's going to last.

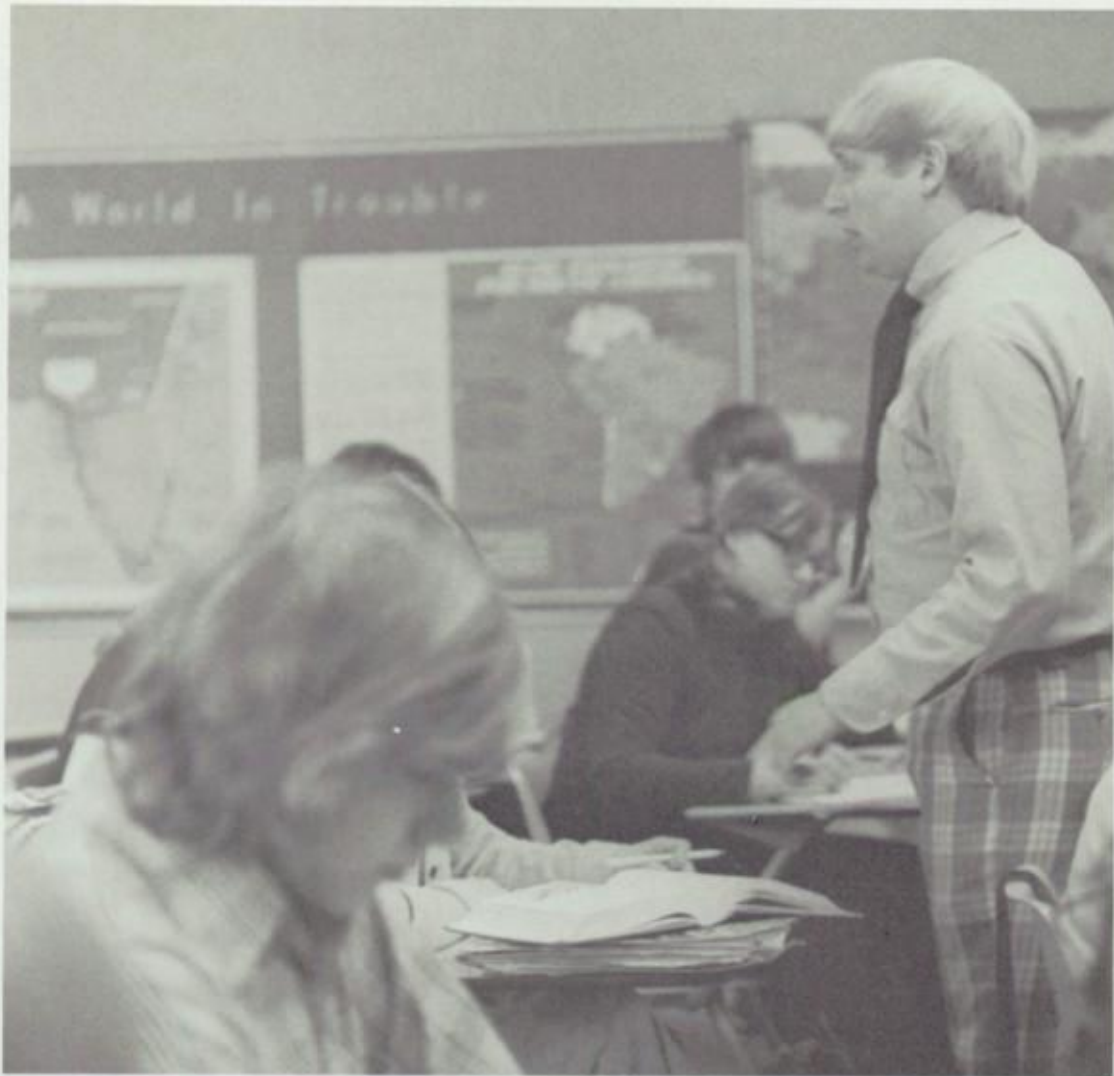

Don't you feel a change a coming from another side of time, breaking down the walls of silence lifting shadows from your mind.

Placing back the missing mirrors that before you couldn't find filling mysteries of emptiness that yesterday left behind.

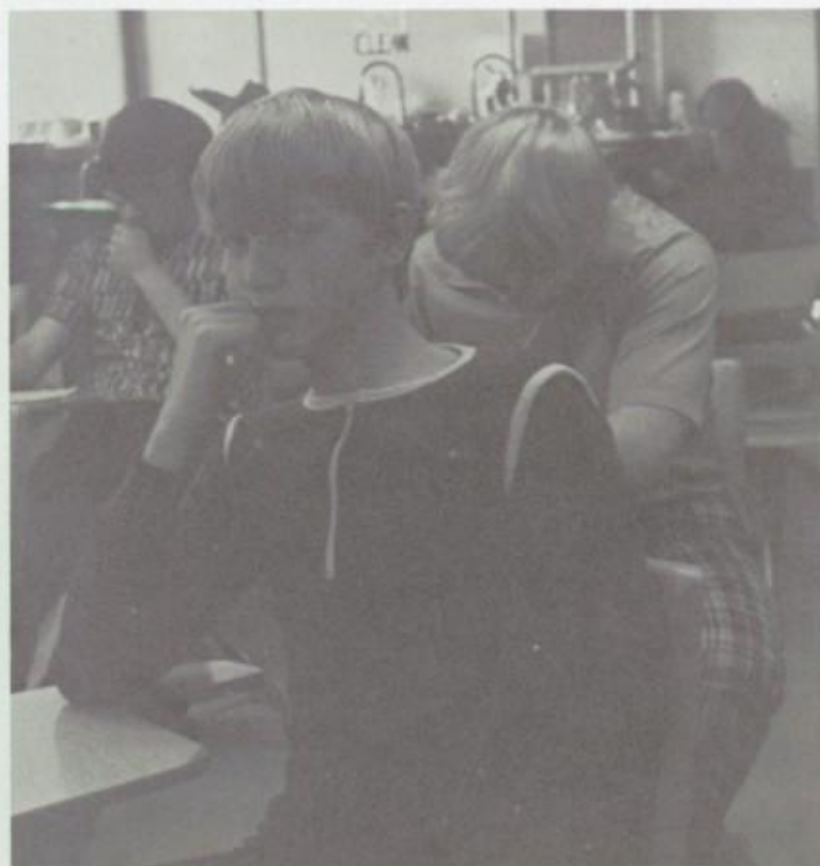

Don't you feel the day is coming that will stay and remain when your children see the answers that you saw the same.

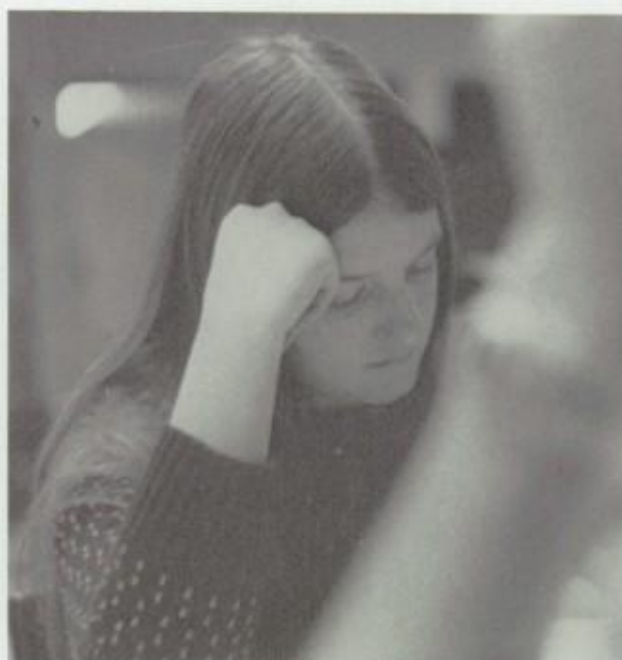

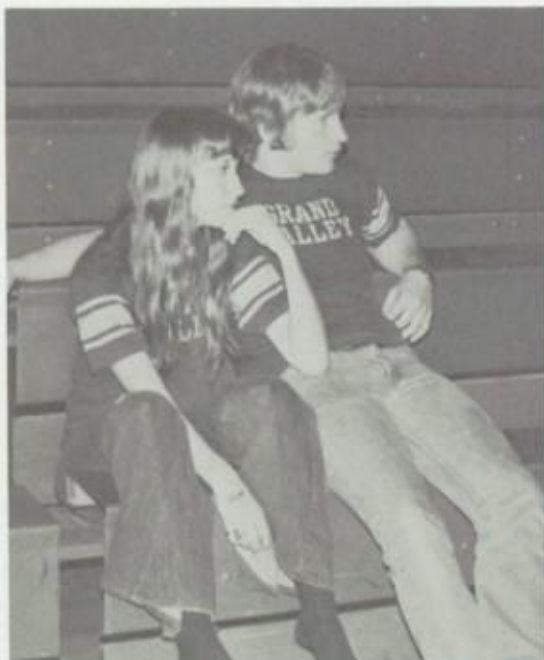

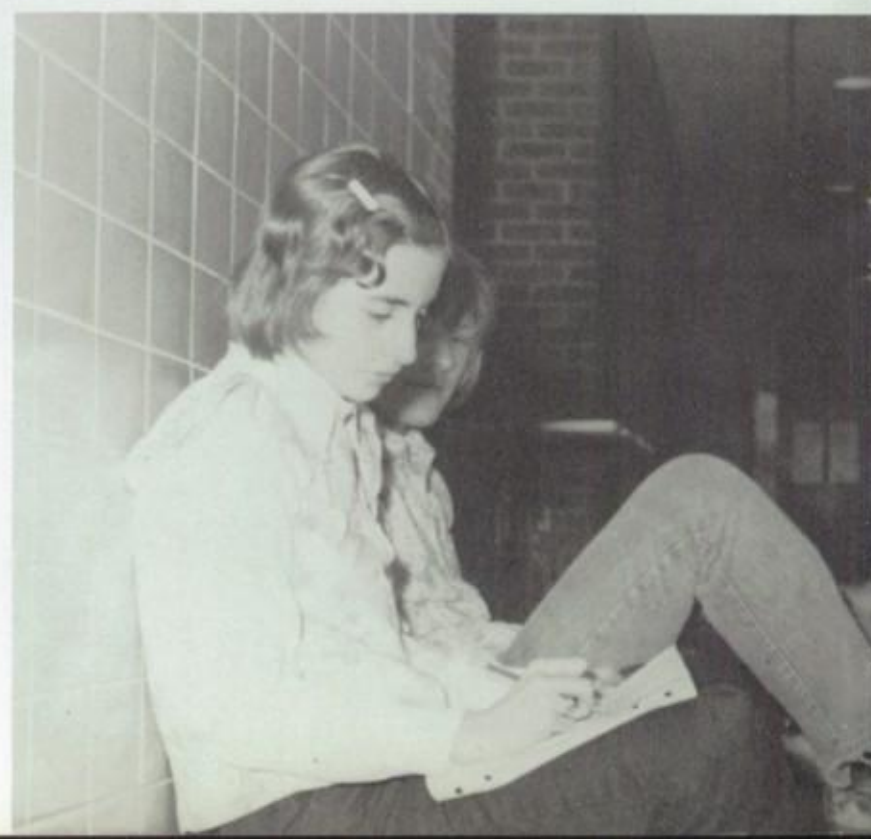

When the clouds have all gone  
there will be no more rain and the  
beauty of all things is uncovered  
again.

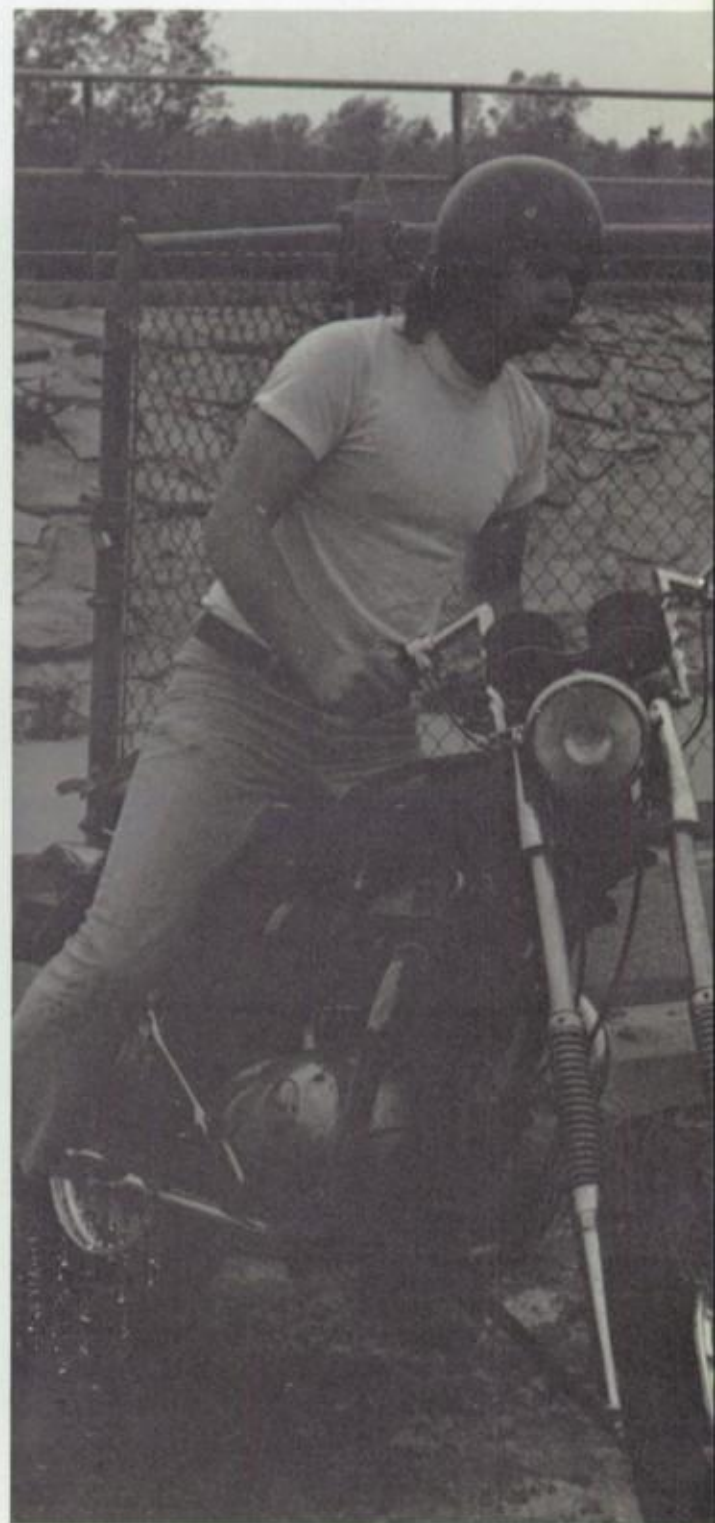

Don't you feel the day is coming  
and it won't be too soon  
when the people of the world  
can all live in one room

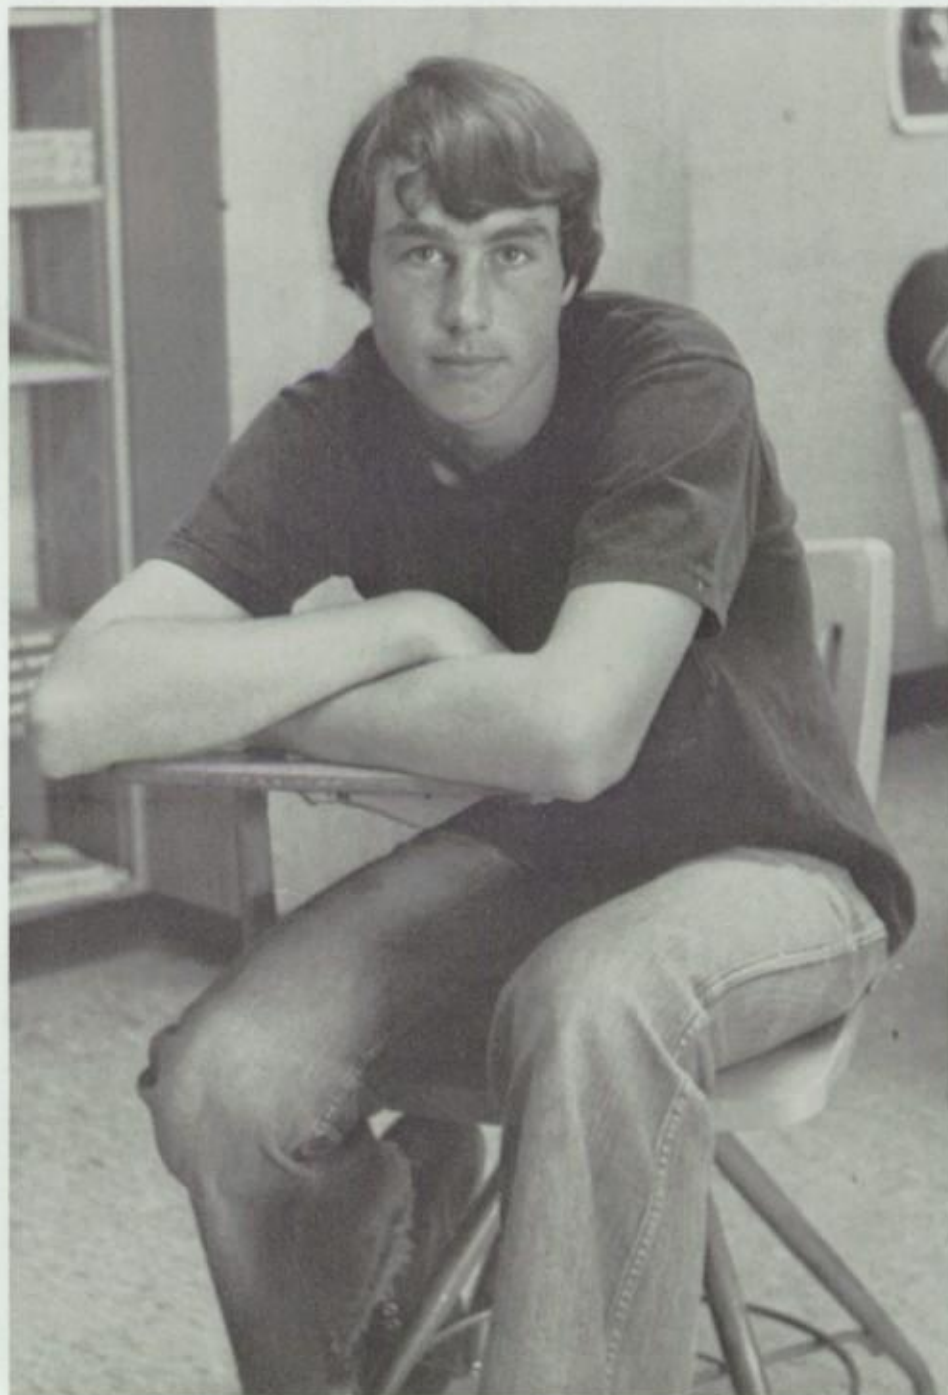

when we shake off the ancient  
shake off the ancient chains of our  
tomb, we will all be born again  
of the eternal womb

And we all know it's better  
Yesterday has past

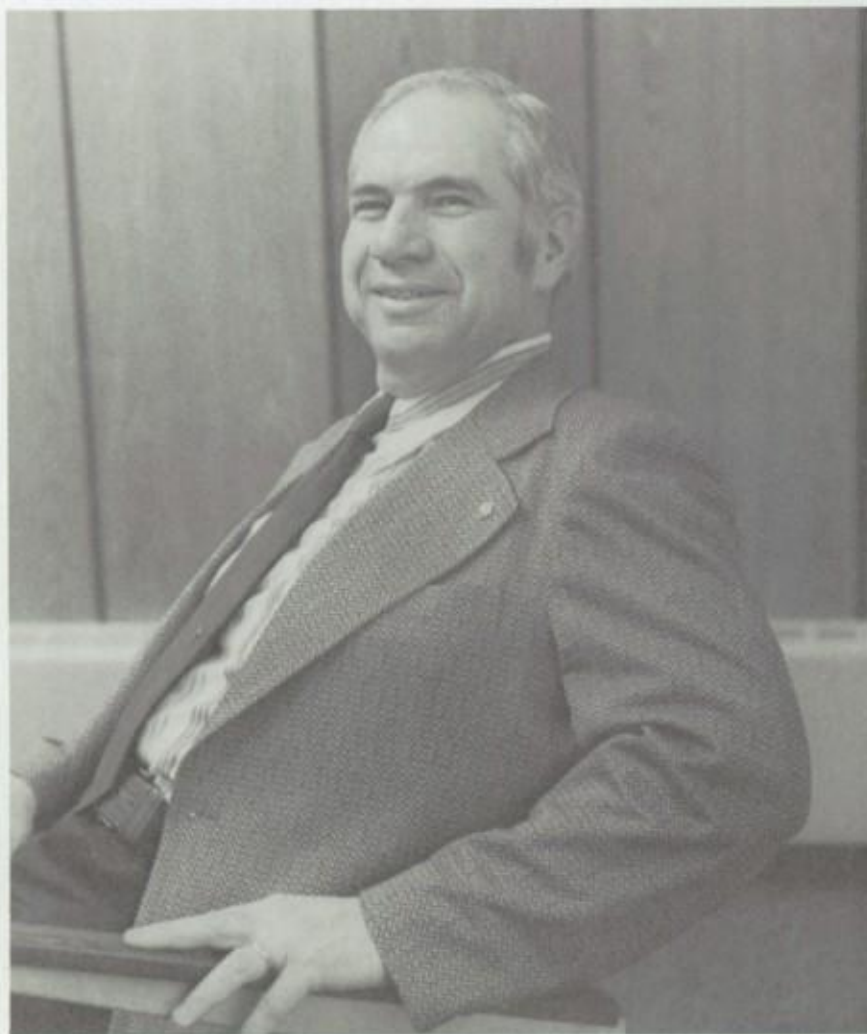

now let's all start the living  
for the one that's going to last

## Guidance

Mr. Russell Pope and Mrs. Sally Boron (both pictured above), our guidance counselors, provide an invaluable service to the students and faculty at Ovid-Elsie High School. They schedule classes for students, they give useful hints to teachers and they provide a valuable listening ear if ever anyone just wants to go in and talk. Our thanks goes out to them.

## Cooks & Janitors Contribute

Have you ever thought what this school would look like if we didn't have any janitors to look after it? The floors would be early American dirt, the windows would have the fog look and everything in general would be in a state of chaos. So next time the school is all spic and span, remember the janitors.

Remember the old saying "Too many cooks spoil the broth"? Well, here at O-E it's just the opposite. The cooks provide us with nutritional meals in hopes of keeping us going through our hectic days. When you have those hunger pains, make O-E your food stop.

## May I Help You?????

The secretaries here at O-E, although they receive little acknowledgement, are quite an important factor in the smooth running of our school. Their duties consist of answering the telephone, taking dictation from our administrative staff and being of service to all.

## Seniors Kick Off to a Victory!!!

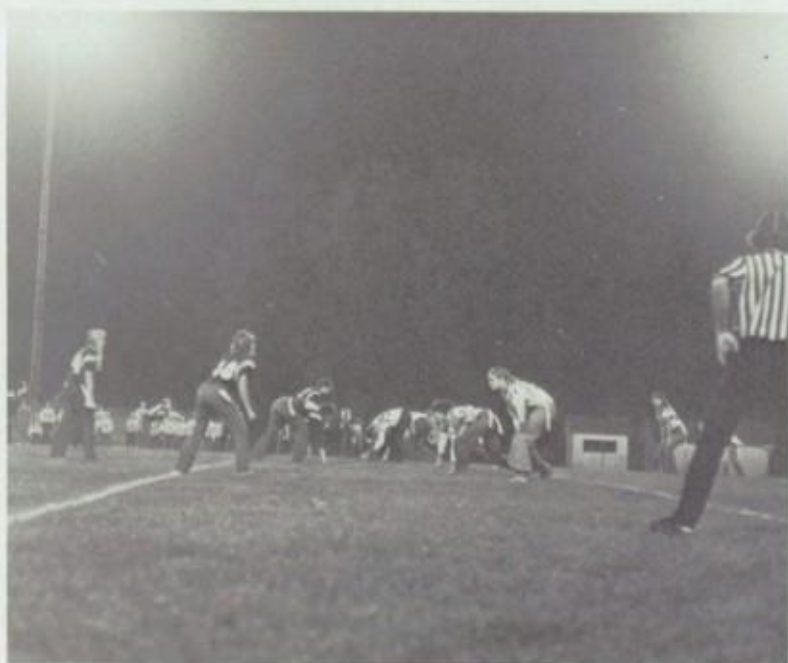

Again this year the seniors led the way to victory. In spite of the great loss by the juniors and the tough work-outs day after day, the juniors and seniors both had alot of fun.

The coaches of the senior team were Randy Bowles, Rob Nethaway, and Paul Tomasek with the help of other senior class varsity club members.

The coaches of the junior team were Tim Bolton, Jack Bashore, and Gregg Martin with the help of other junior class varsity club members.

The announcers of the Powderpuff game were Bob Lawrence, Dave Byrnes, and Jan Blunt.

# Saturday . . .

Held in the merry, merry month of May, this year's Prom, Saturday in the Park, was a huge success. Comments ranged from "fantastic!" "wow!" "just great!" Thank the class of '75.

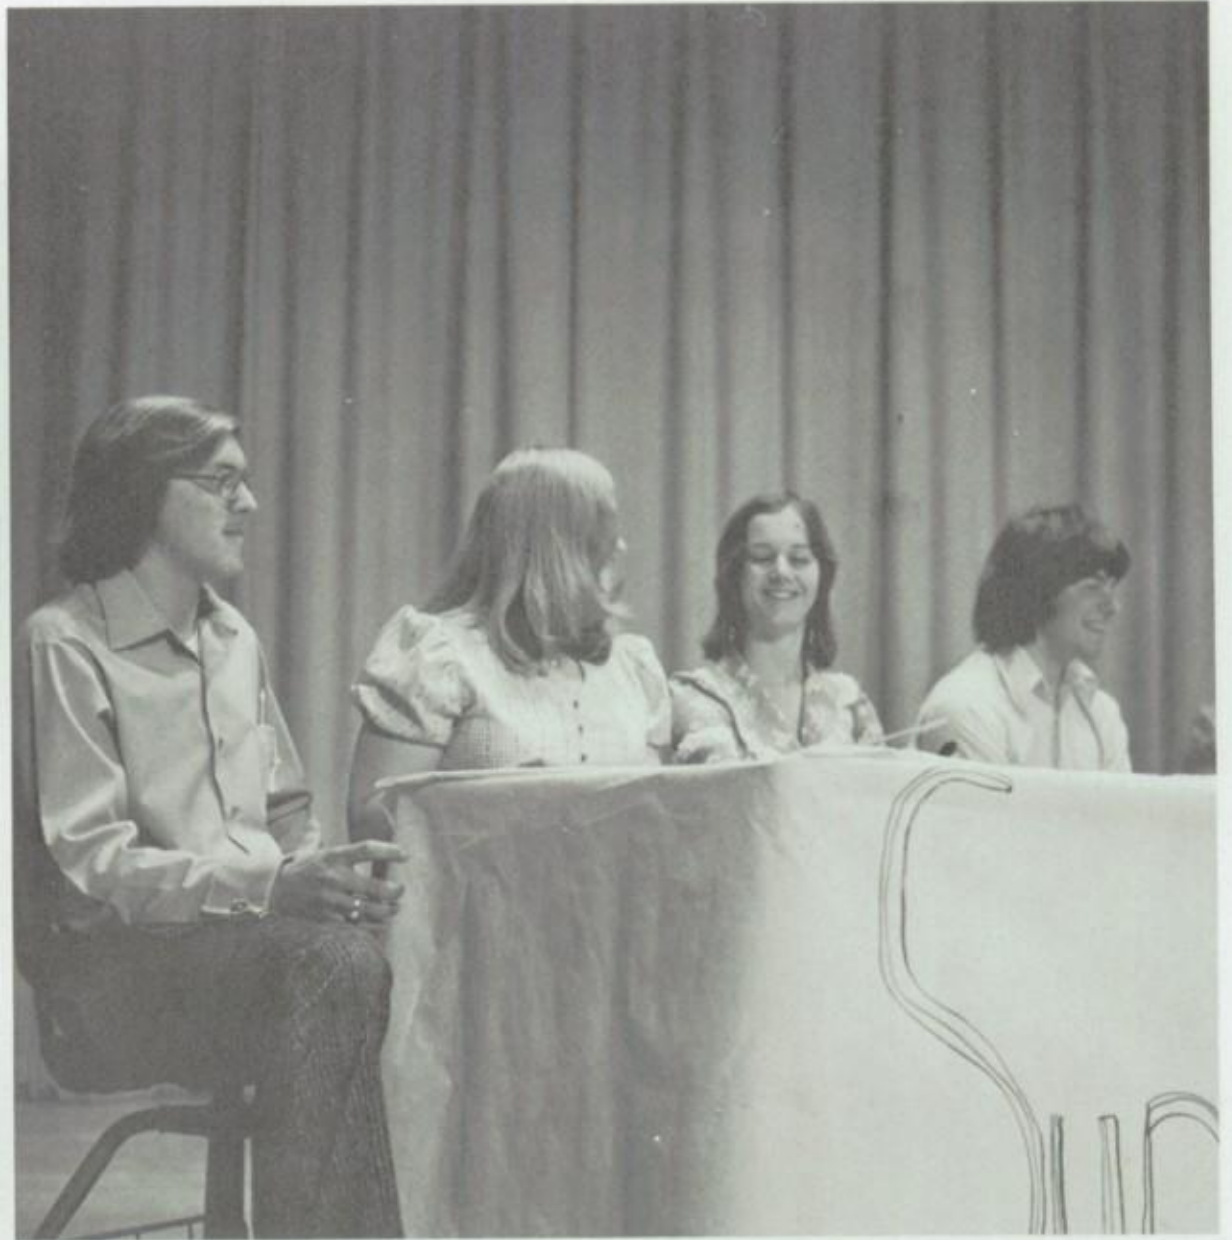

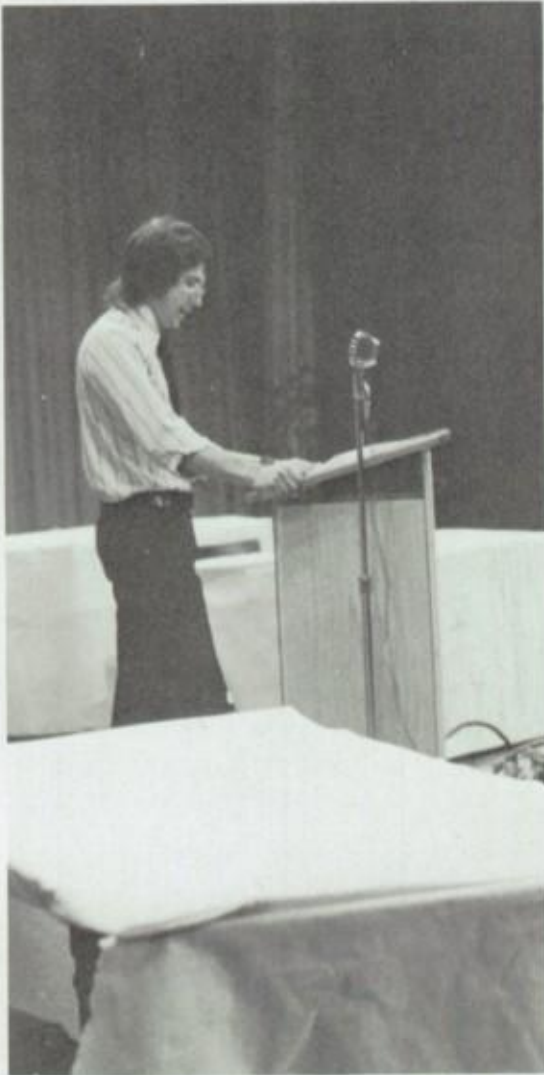

Music was provided by a good, solid band. The pool, where the prom was held, gave the whole affairs a different atmosphere. No, as far as we know, no one tried to walk on water, though it was reported to us afterwards that one of the post-prom parties was a bit wet.

Our Senior Year is a year of remembering, fighting, learning, and planning.

#### REMEMBERING . . .

- When we were freshman, getting run over by seniors. Now that we're seniors, the freshman run US over. Seems like they're making them bigger every year.
- Our first prom, and how excited we were. Never thought it would cost THAT much, did you?
- The sad losses of two of our classmates. Jody died when we were only freshman, and Dan left us in our junior year. We've missed not sharing our last years of school with them.

# Fighting . . .

— To cram as much as possible into this, our last year.

— To wipe those Junior Powderpuffers right off the field. A mission rather well accomplished, don't you think?

— To get our float done on time, in spite of all the helping hands.

— To keep our heads above water, academically speaking, with as little work as possible.

## Planning . . .

- On just how and where to "party-down" next weekend.
- On another two or more years of cracking the books, to be what we want to be.
- On one great big bash when all the graduation stuff is over.
- On living our lives to the maximum, each in our own way.

Thirteen years is an awfully long time, but somehow we pulled through. A lot of things are clear to us now, but other things are still vague and mysterious. It feels good to be getting out. It seems a little awesome too. What will it be like, to be out there, part of everything that's going on? Now, after all those years of living just to learn, we're finally going to start learning how to live.

The Sophomore year in high school may be the hardest year of all. In spite of having learned what's going on, and who's who, there are still alot of problems sophomores have to face. Now that they are really into high school they will be expected to be more active. They'll need lots of money next year, so they have to start making it now. They may feel sort of left out. The frosh are all eager, the juniors are busy, and the seniors are waiting for graduation. Take heart, sophomores. This year of rest is a good time to study yourselves and get your head together. Start to think about your future a little.

In spite of these problems, the sophomores are pulling through in good shape. They'll learn as time goes on. In fact, they're already on their way.

## The Legend Staff

A willingness to work, creativity, boundless energy and stamina, patience, and time — these are what makes a good athlete? Yes, but they are also what makes a good yearbook staff. We hope the 1974 Legend brings you pleasure.

Next year the yearbook will be offered as a class. So if you can meet the above requirements, perhaps you should consider signing up.

## O-E Student Council Is Busy

This years student council was busy. As usual, they sponsored all the Home-coming activities and worked at the concession stand during home basketball games and track meets. Also they sponsored a 1950's day and awarded prizes to the best dressed students and teachers. There was also a 1950's dance with a 1950's band.

As a special activity, the student council members went out for a Chinese dinner.

THE VARSITY CHEERLEADERS THIS YEAR WERE: left to right: Mandy Staples, Cathie Jo Winkler, Sue Vostrizansky, Katie Foran, Sherry Winkler, up on top: Rosemary Darling.

Throughout the year the cheerleaders sponsor money-making projects. This year they sold candy and all purpose cards.

All of the money the cheerleaders raised this year goes toward summer cheerleading camps and the purchase of new varsity uniforms. This year the Varsity cheerleaders attended Camp at Ferris State where they took the Spirit Award in the finals and second in Competition. The cheerleaders cheer at basketball and football games. As of last year they cheer at wrestling meets.

# An Argument? No, It's a Debate!

A Debate is sort of like a formal argument. There are two people to a team. They debate against another team who takes an opposite stand they do on a given topic. The debaters have to do lots of research, they have to be able to reason things through, then form a quick, foolproof plan of attack. It's alot of work, but it's fun if you're fond of arguing!

## Forensics: Speaker's Delight

This year's participants in Forensics displayed a cunning knack for pleasing judges' palates. Yes, Ovid-Elsie placed first in its district tournament. Congratulations!

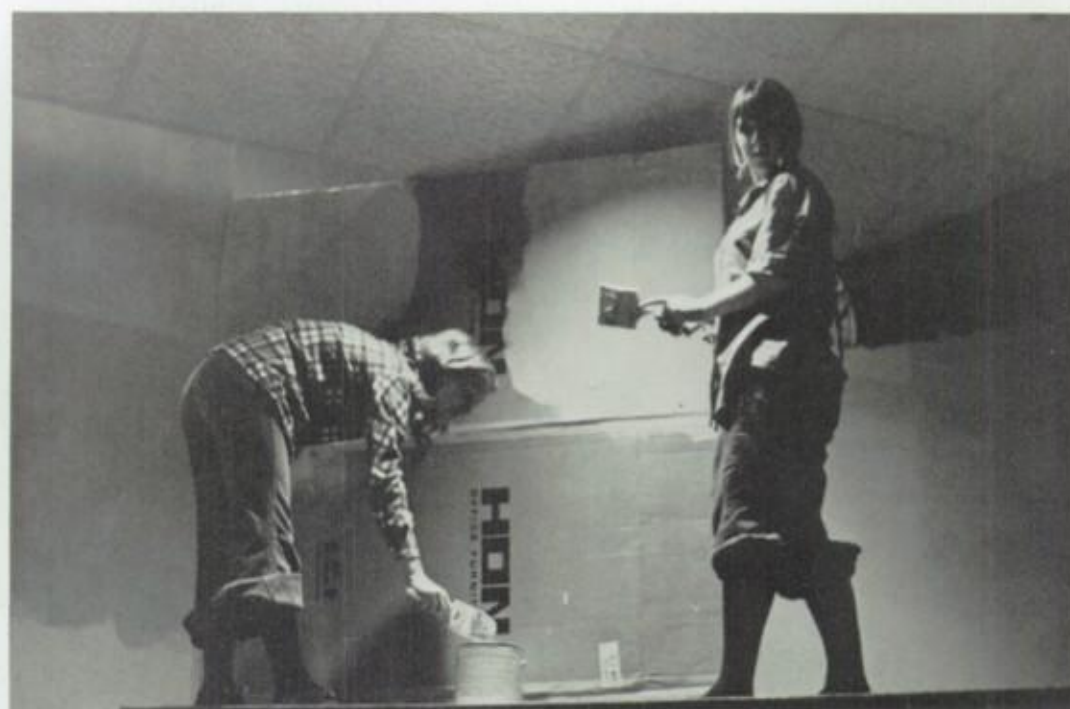

# Spotlighters Entertain At O-E

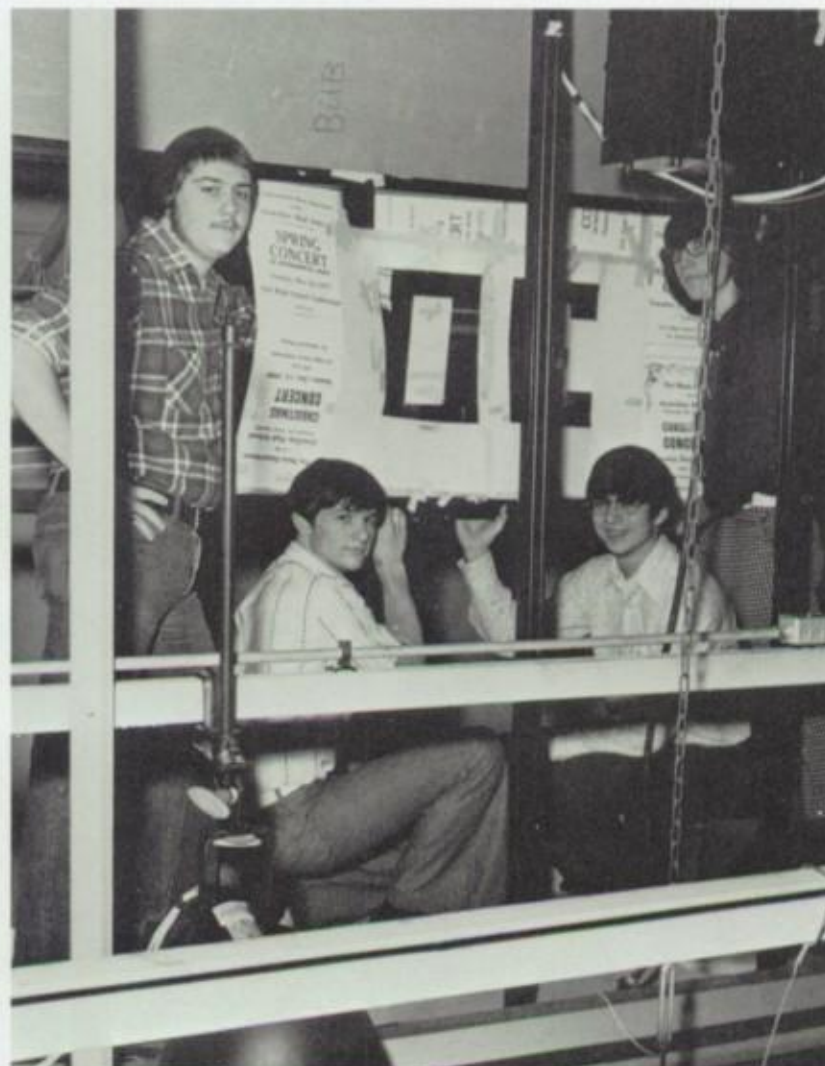

The Spotlighters did much to entertain O-E this year. One of their most interesting performances was "Harvey" which turned out to be a great success.

MEMBERS OF THE SPOTLIGHTERS are, row 1 — left to right: Laurie Williams — Vice-president, Steve Szilagyi — President, Dan Copelin — Secretary-Treasurer. row 2: Joy Cudnik, Laurie Moore, Helen Blakely, Jim Houska, Deb Jones, Dee Marriage, Dolores Baese, Mandy Staples, Kimberly Althouse. row 3: Jan Blunt, Jim Rees, Joan Carr, Dean Wilson, Suzie Selfridge, Donald Gilbert, Roger Gilbert, Dawn Applebee.

# High School Completion

High School Completion is an opportunity for anyone to receive a high school diploma.

In these classes the people talk not only on their specified subjects, but also on things like world events and area problems for the purpose of relating and sharing experiences.

Congratulations to the 1974  
newspaper staff for a  
job well done.

Pep Club is a group trying to bring the students together by showing as much spirit as possible. By this they make posters, have raffles, and help the cheerleaders in any way they can.

If you see some students yelling (as loud as they know how) at the games, you could probably bet anything that it's part of the Pep Club.

# ATHLETICS

# That Championship Feeling

The 1973-74 girl's Varsity Basketball team is characterized by success and a little history making. It was the first time in history at O-E that the girls team won the Mid-Michigan B League Basketball Tournament held at O-E. The Varsity team compiled a 7-0 league record and a 13-4 record overall. The team displayed all of the enthusiasm of a championship team and they were awarded the MMB crown. They won the first round of the Michigan State Basketball Tournament at Chesaning by defeating Frankenmuth. They lost in the second round to a strong St. Johns squad.

The J.V. team compiled a 5-5 league record and a 5-9 record overall. The team, though young and inexperienced, showed a promising future for next year's basketball season. All in all there is a very bright outlook for girl's sports.

# Volleyball Serves

## First Season

kneeling — left to right: Julie Selfridge, Jane Taylor, Linda Horton, Sue Parmenter, Emily Horton, Kathy Kenney, Cheryl Kirnovic, Jane Somers, Lena Schultz. standing: Barbara Anderson — Coach, Deb Miller, Jane Kirby, Sue Mitchell, Sandy Webster, Deb Ballantine, Cindy Francis, Jill Horn, Sue Bracey, Brenda Miller, Anita Huntoon, Terry Brancroft.

The girls volleyball team, in their first year of competition, had a case of first year jitters. Their season wasn't as successful as they hoped it would be, but it was a year of learning and practicing the game of volleyball.

There was both a J.V. and Varsity team, having records of 1-4 and 0-5 respectively. The girls who played on the Varsity team received letters if they had played in one-half of all the games played. The J.V. team players were rewarded also with certificates for their play.

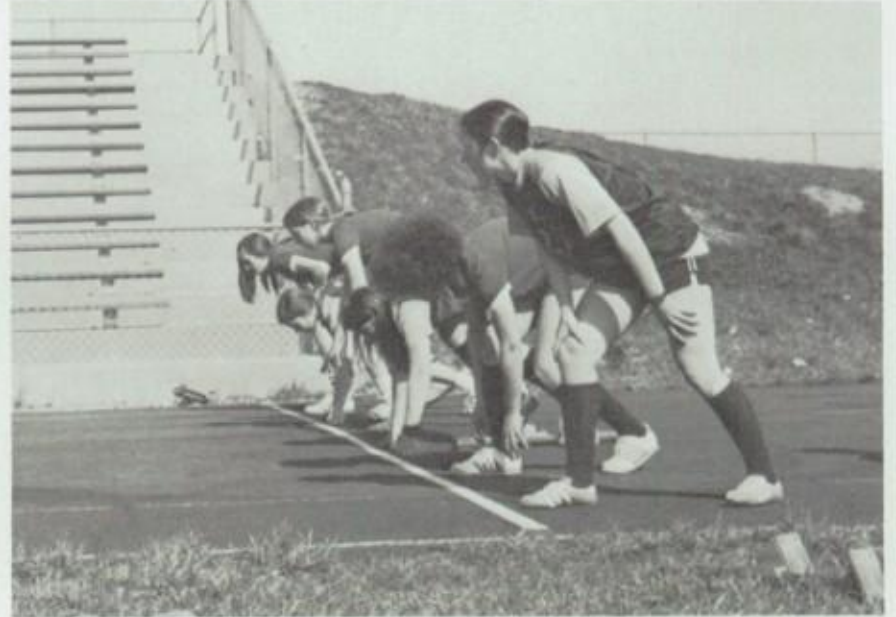

A highlight of the season was Brenda Miller receiving All-Conference Honorable Mention.

The volleyball team will be back again next year, looking forward to a second year of competition.

# Put a Little Tread in Your Sole

kneeling — left to right: Deb Bashore, Cristal Gilbert, Sally Everts, Marjorie Houck, Patty Wilcox, Kathie McGuire, Lonna Williams, Sherry Warfle, Peggy Craig, Arlene Hutchinson, Darlene Newman. standing — Suzie LaRue — Manager, Emily Horton, Jane Kirby, Stacey Shindorf, Sandy Webster, Deb Ballantine, Cindy Francis, Tammy West, Brenda Miller, Karen Porubsky, Lisa Baese, Barb Anderson — Coach.

The second year of girls' track proved that Ovid-Elsie girls have the potential to be conference champs. Peggy Craig was the big point getter for this year's team. She did so well in the half-mile that she went on to the Class B State Finals. And guess what? — Peggy has two years left at O-E. Congratulations team!

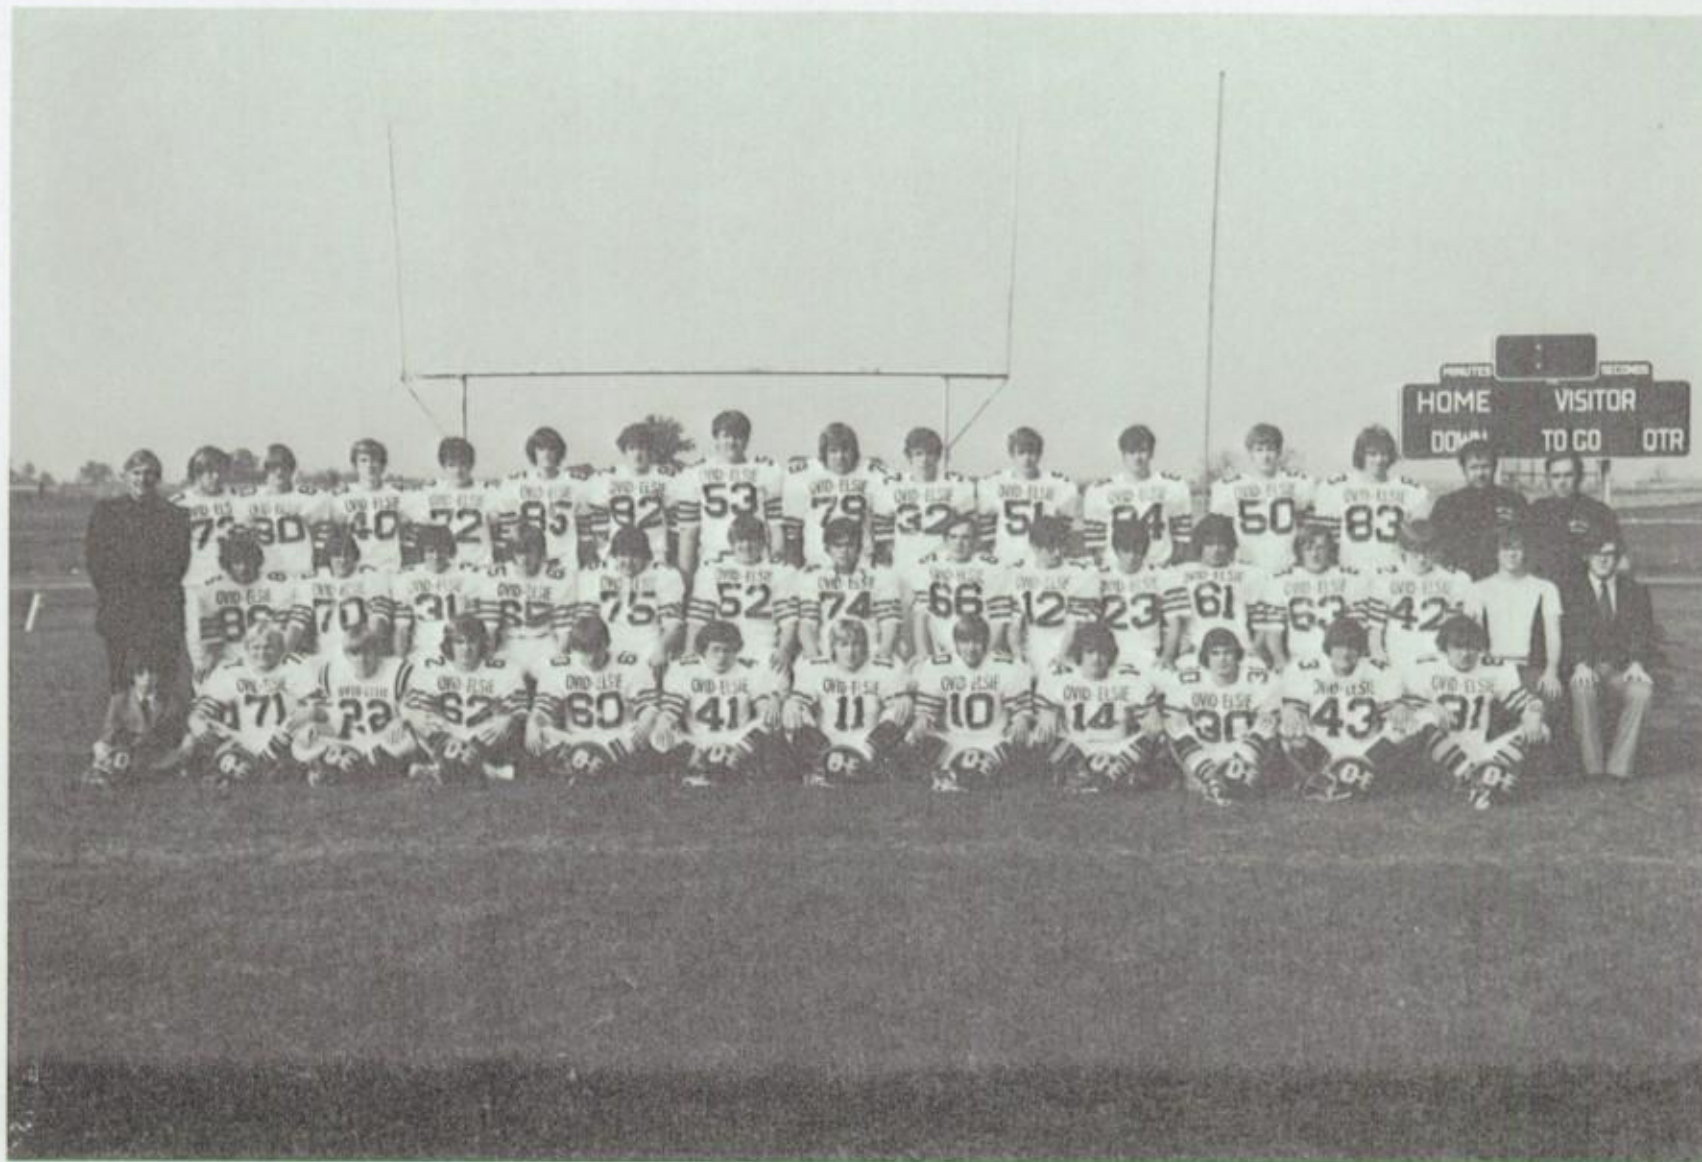

## Girl's Softball — Another Fantastic Year

Yes, our Girl's Softball Team had another great season, winning the conference championship for the second year in a row. Coach Mary Nutter says that next year's squad should be just as good if not better than this year's. The Yearbook Staff would like to apologize to the girls for the lack of a team picture. The negative did not hold an image.

# Coach O'Donnell + Team = Winning Football

row 1 — left to right: Tim O'Donnell — Manager, Doug Goodrich, Ray Harrington, Kim Kellermann, Rod Leslie, Paul Case, Perry Munson, Gregg Bancroft, Tim Quine, Jack Bashore, Timm Glowney, Dennis Baese. row 2: Dan Latz, Kevin Torrey, Jim Quine, Jody Jorae, Lynn Cox, Dennis Cross, Mike Rummell, Carl Smith, Rex Ballentine, Kirk Baese, Paul Tomasek, Gregg Martin, Dean Hibbler, Randy Doyen, Mark Pollard — Manager. row 3: Coach Mark O'Donnell, Don Reha, Gregg Kellogg, Tom Bracey, Tim Bolton, Cayle Woodward, Ted Geiger, Mark Pontack, Rob Nethaway, Randy Bowles, Dave Maag, Brian Welton, Darel Hebler, John Hubbard, Assistant Coaches: Bob Foreback and Russ Pope.

The 1973 football season wasn't a great success as compared to the previous three years. We only had a few returning lettermen which because of injury were out during the three games that could have been ours. If we would have won those games we would have shared the championship with Swan Valley and Corunna for 1973.

Mr. O'Donnell says that it was a most invigorating experience and that he enjoyed working with the boys just as much as if they had had a 9-0 season. The season record was: won 2, lost 6, tied 1.

Three of our players made the Mid Michigan B All League. Paul Tomasek made All League for offense and Rob Nethaway and Randy Bowles made All League for defense.

# Cutting Corners to the Finish

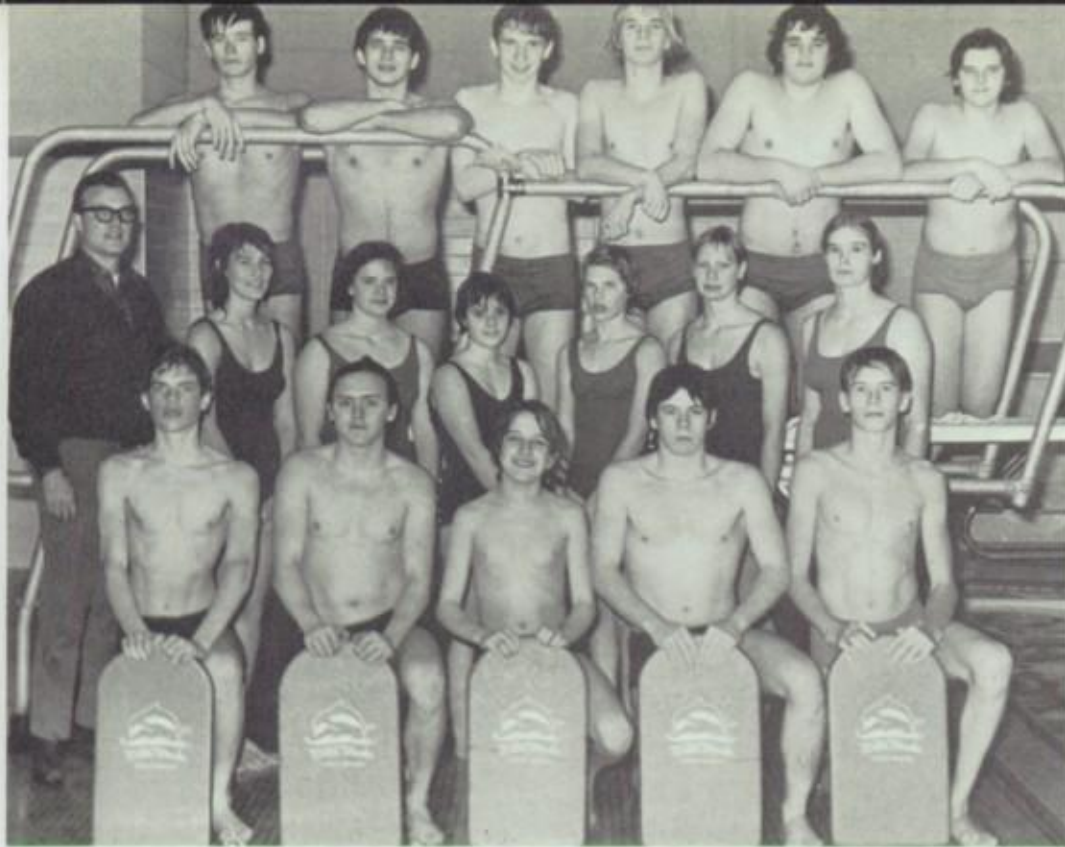

Although the 1973-74 Cross-Country finished the season with a 0-12 record and a last place finish in the Mid-Michigan B League, the O-E runners weren't all that bad.

This year turned out to be a building year as no lettermen returned. The future team looks well-worth the time spent for this "building year" however.

Cayle Woodard brightened the season as he set a new school record for our 3 mile course with a time of 17:06.

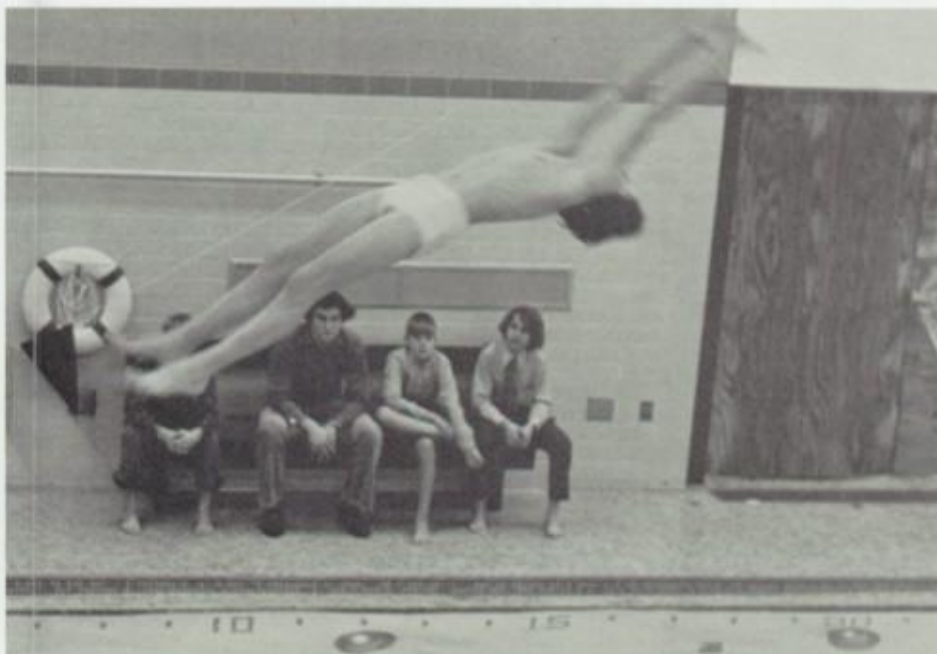

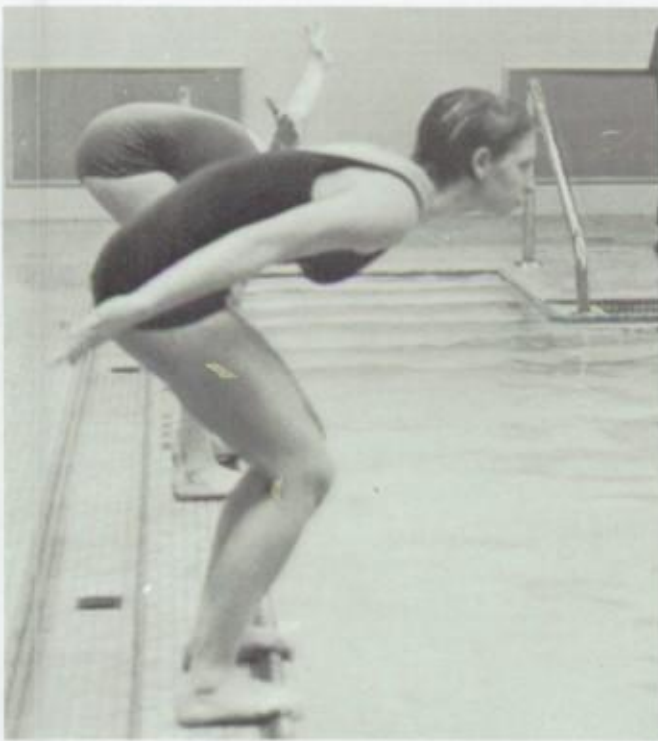

## Swim Team Makes a "Splash"

In the ever-changing school of Ovid-Elsie, a new organization was drafted. The Swim Team of 1973-74 faired quite well for their first year out. We wish them luck next year.

row 1: Dave Gilbert, Randy Justice, Frank Gilbert, Dan Quine, Peter Montague. row 2: Dee Dee Baese, Mandy Staples, Peggy Rummell, C. Rummell, Crystal Gilbert, Mary Alice Bates, Linda Montague.

## 1973-74 Basketball

standing — left to right: Jack Bashore, Mark Hudacek, Dave Groom, Greg Kellogg, Randy Bowles, Cayle Woodard, Ted Geiger, Dan Washburn, Darel Hebeler, Dave Maag, Timm Glowney, Paul Case, Perry Munson. kneeling — left to right: Kirk Schultz — Manager, Robert Foreback — Coach, Mark Pontack — Manager.

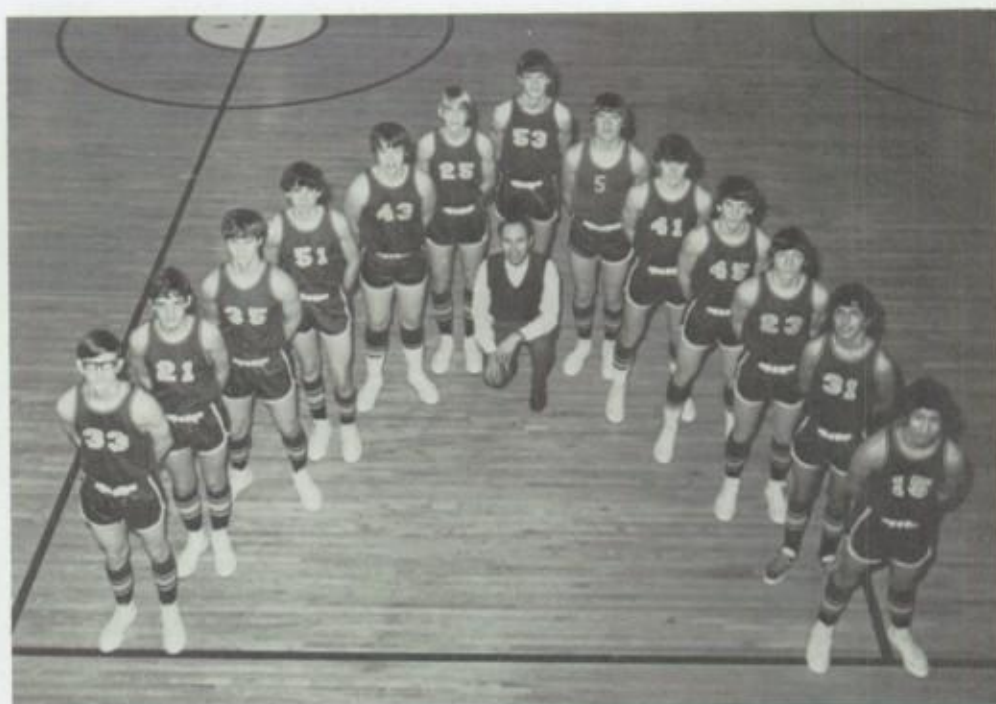

The 1973-74 Ovid-Elsie Basketball team had only two returning lettermen this season. In addition to the lack of experience, the team lacked height and faced a tough list of opponents. The basketball team placed 2nd in the Mid-Michigan "B" Conference with an 8-4 record. The highlight of the season was a 74-65 win over Ithaca on the Marauders' home floor. The Marauders lost a chance to tie for first in the MMC by losing to the revenge — minded Ithaca team on the Yellow Jackets' home court. There were four seniors on the team this year that helped make this a successful season. They are Randy Bowles, Timm Glowney, Dan Washburn, and Greg Kellogg.

# J.V.'s & Freshmen—Future O-E Basketball Champs

JV BASKETBALL TEAM, l to r: Jerry Swarthout, Jim Maag, Mike Fabus, Dave Cerney, Tim Zwick, Steve Copelin, Doug Long, Louis Chapko, Ron Shivley, Ken Wyrick, Ron Nethaway, Ruben Rodriquez and Ray Trevino. Coach Jack Nutter in middle.

FRESHMAN BASKETBALL TEAM, front row, l to r: Ken Herrick, Valde Garcia, Steve Fent, Glen Morgan and Bill Thomas. 2nd row: Coach Don Barlow, Doug Sturgis, Ron Betts, Mark Latz, Jon Coon, Tim Holton, Gary Loynes, Jerry Mills, Tim Doyen, Wayne Swender, Joe Sovis, Ron Ridley, and Jim Thomas.

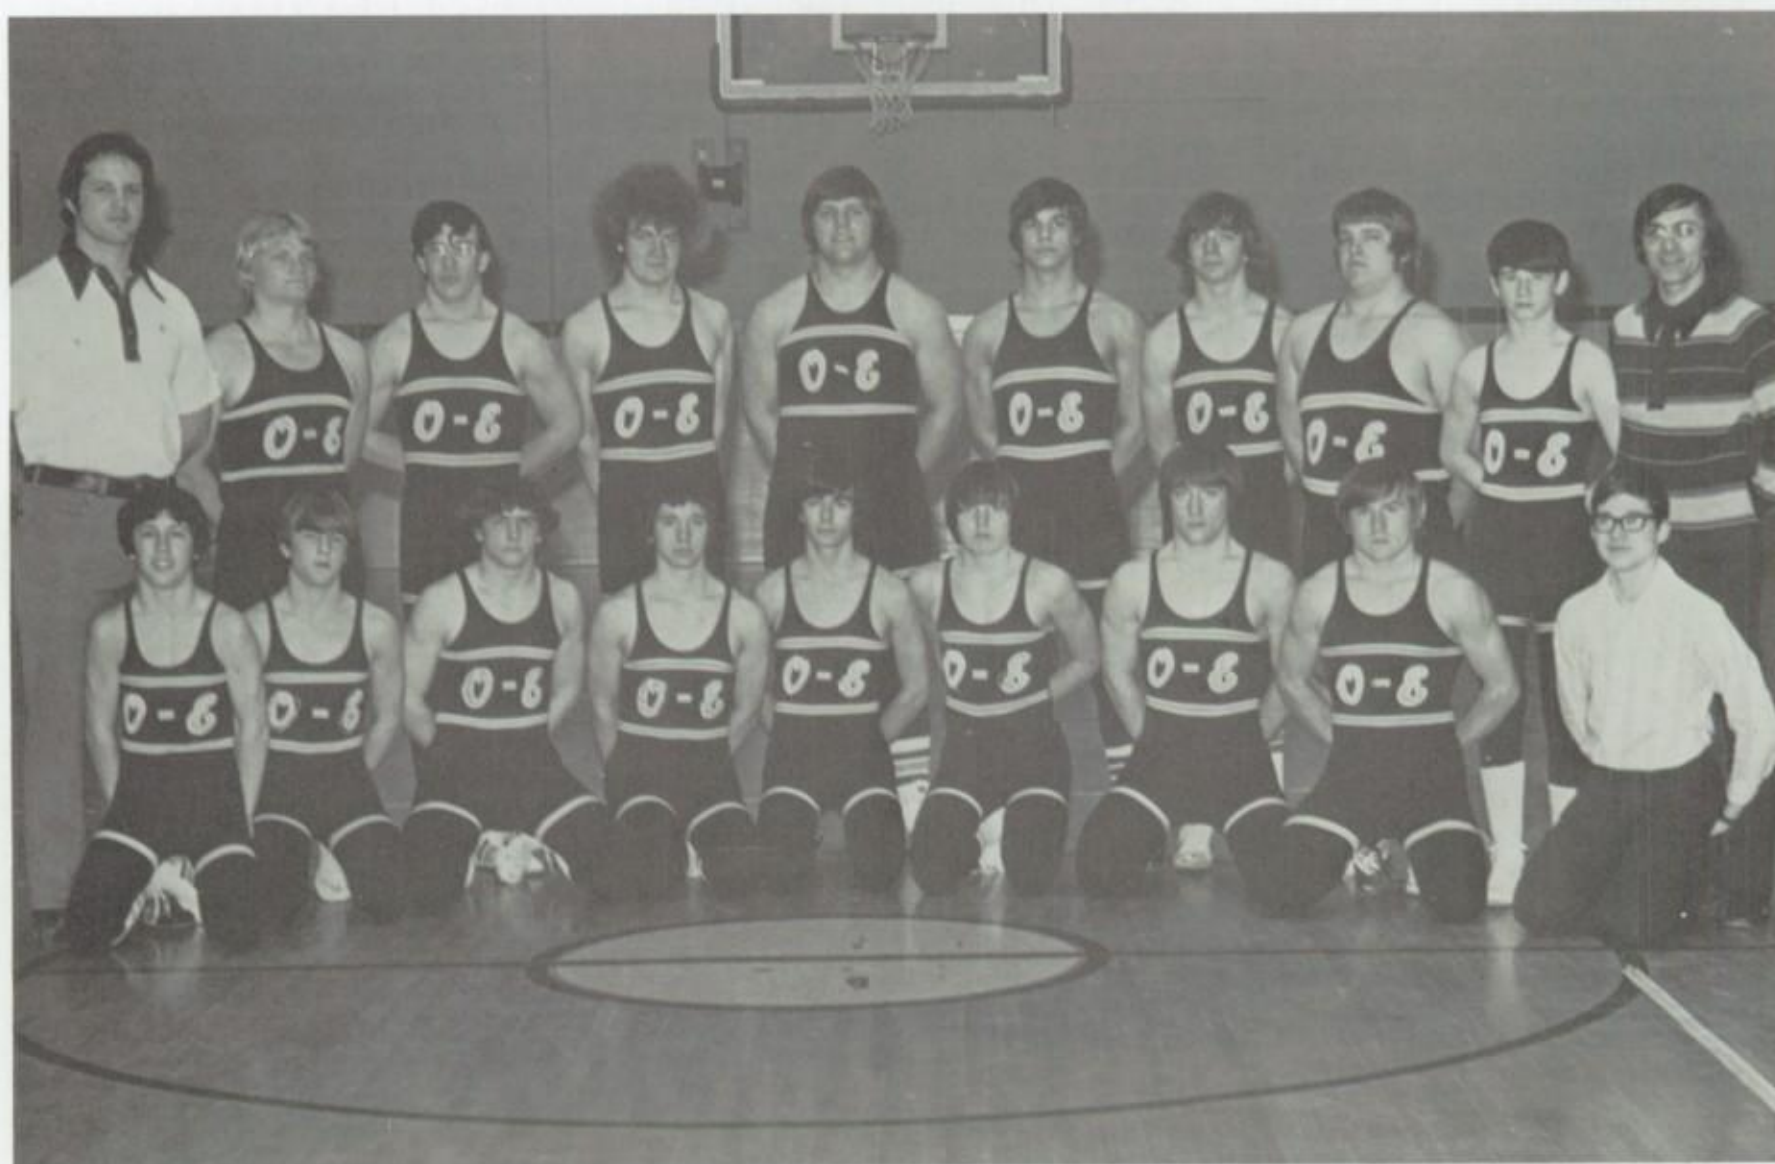

## J.V.-Frosh Baseball: They'll Be Varsity Next Year If the Season Isn't Rained Out

front row, l to r: Bob Moore, Ray Trevino, Jim LaRue, Glenn Nethaway, Doug Sturgis, Lynn Putnam, Jim Galecka. back row: Coach Barlow, Neil Stinson, Steve Swan, Dale Hier, Dave Cerney, Jim Maag, Russ Leslie, Kim Winkler, Bill Thomas.

## Maidlow's Wrestlers Do It Again

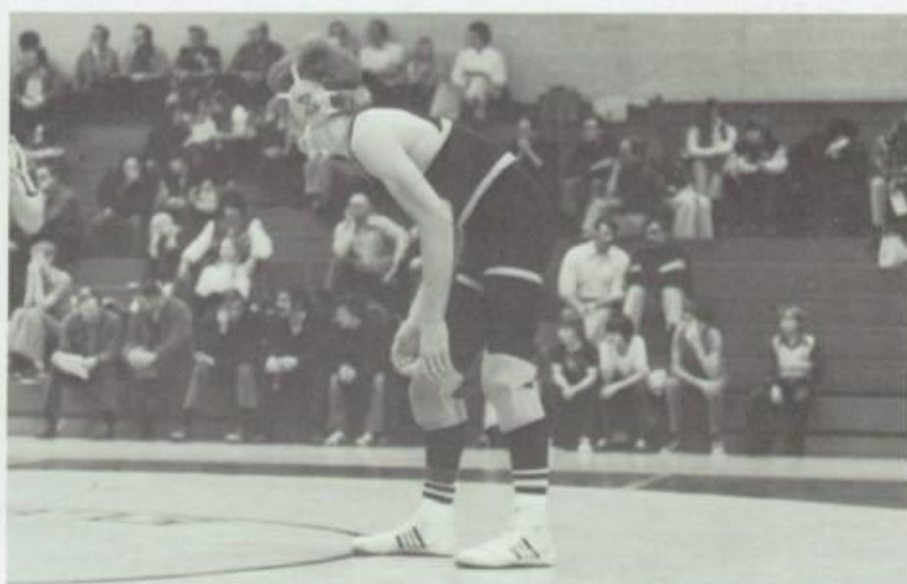

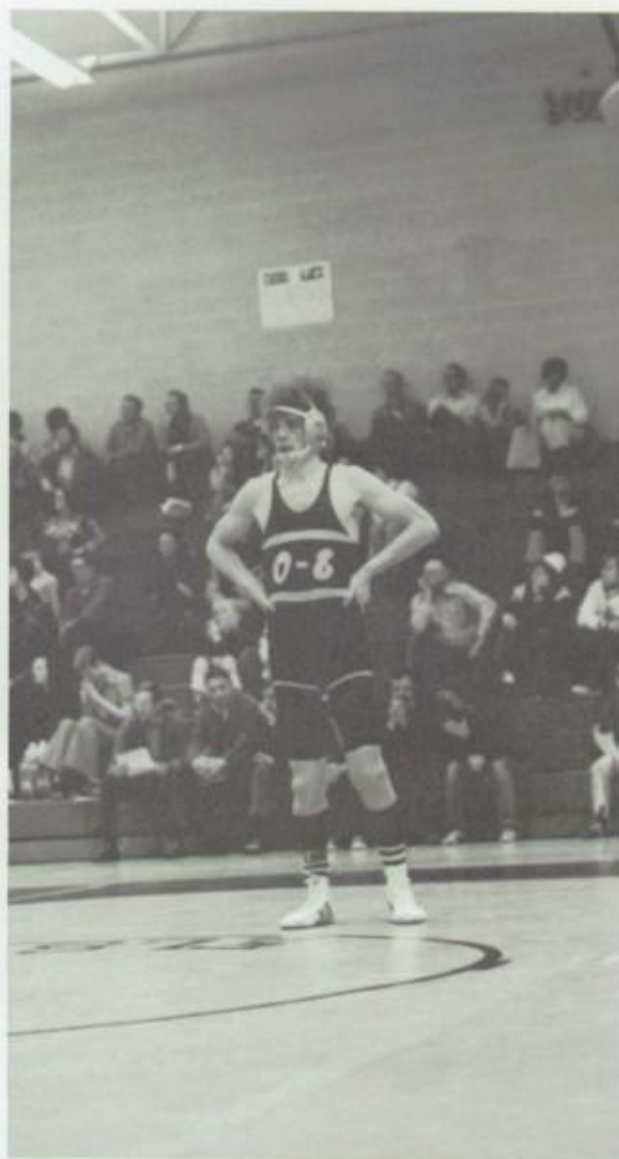

kneeling: Steve Latz, Chris Gingrich, Fred Enos, Al Goodrich, Neil Stinson, Steve Swan, Leonard Mitchell, Dan Pumford, Manager Gary Page. standing: Coach Maidlow, Doug Goodrich, Chuck Cowley, Tom Rivest, Rob Nethaway, Paul Tomasek, Pat Rivest, Dennis Cross, Troy Bancroft, Assistant Coach Dean McKay.

The wrestlers won their fourth straight MMB Crown this year, placing  $31\frac{1}{2}$  points ahead of second place Chesaning at the Conference Meet. All twelve wrestlers placed in the top four of their weight class with five Marouiders emerging as champions. They were Neil Stinson at 112 lbs., Dan Pumford at 132 lbs., Tom Rivest at 145 lbs., Paul Tomasek at 167 lbs., and Rob Nethaway at heavyweight.

The overall record this year was 9-3. Six men won at the regionals: Steve Latz, Fred Enos, Dan Pumford, Leonard Mitchell, Paul Tomasek and Rob Nethaway. Rob and Paul made it to the State Finals but did not place.

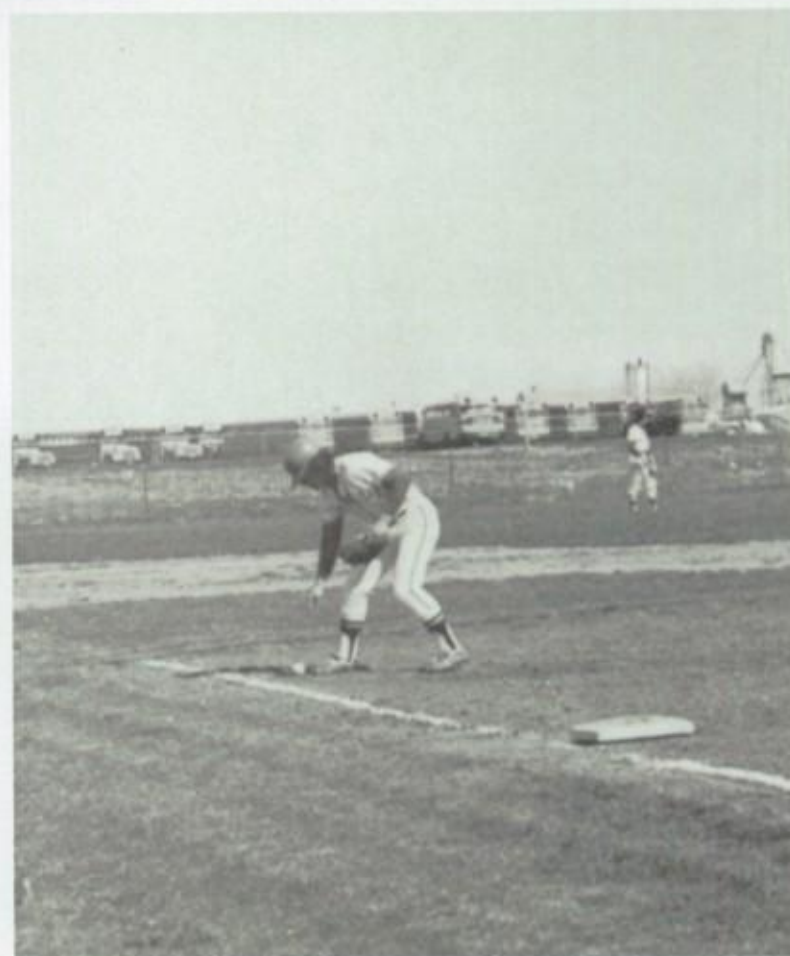

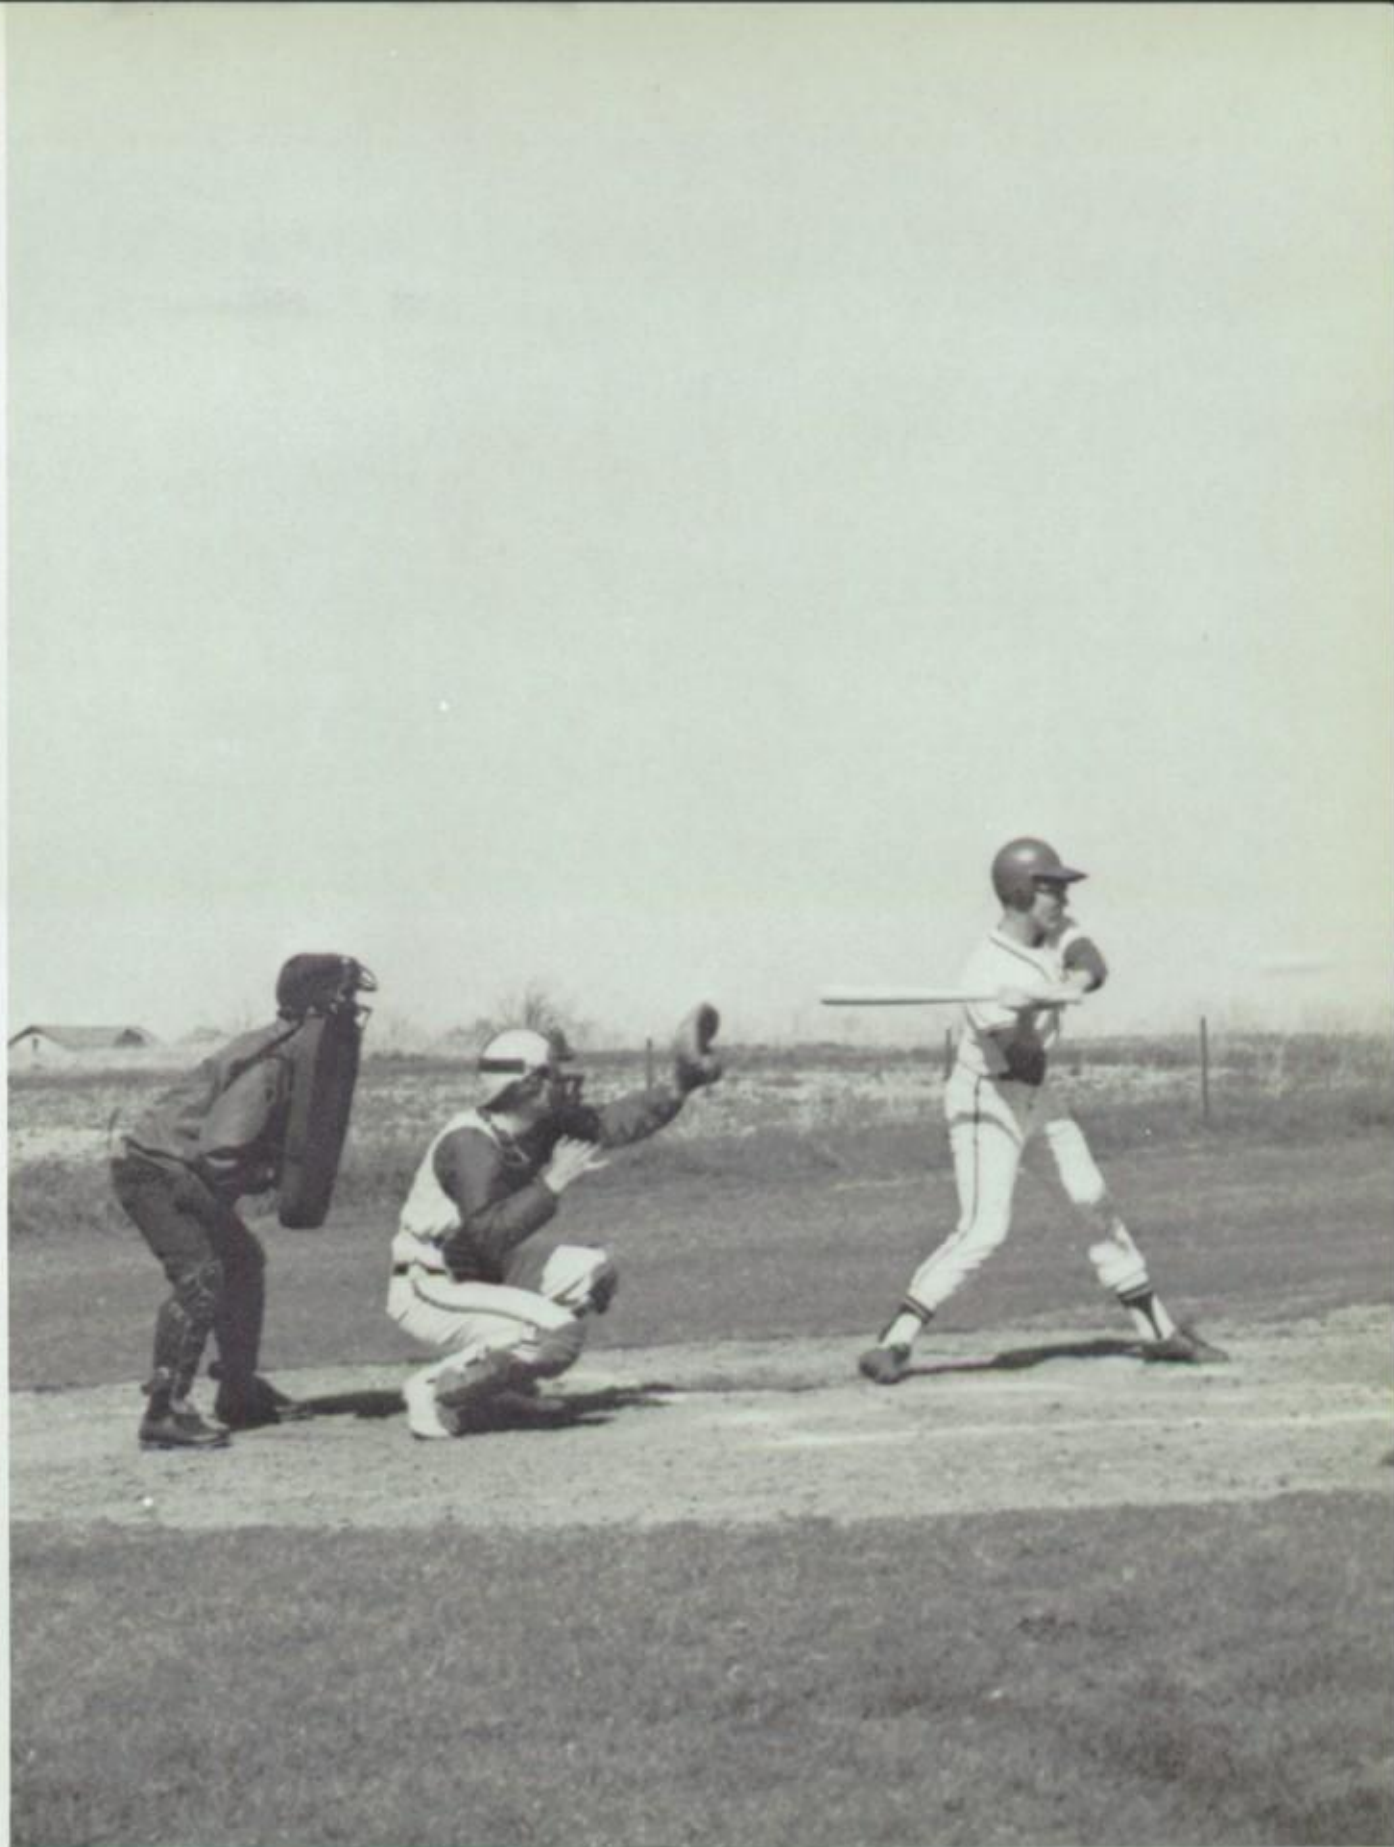

## Varsity Baseball Rips Again

1 to r, kneeling: Tim Quine, Ron Leslie, Mark Hudacek, Doug Goodrich, Rod Love, Randy Pollard, Joe Tesarik, Jack Bashore, Glen Schmidtfranz, standing: Coach Jack Nutter, Jim Egbert, Jim Quine, Tim Bolton, Pete Salyer, Jack Cook, Brian Welton, Dean Hibbler, Rex Ballantine, and Gregg Martin.

The Varsity Baseball Team finished the season with an overall 8-8 won/loss record and a 7-5 conference mark. The latter was good for second place in the Mid-Michigan B race.

With a .500 batting average, it's no great mystery why Tim Bolton was chosen Most Valuable Player and Best Hitter by his teammates. Best Pitcher went to Mark Hudacek with a 6-3 win/loss record and an astounding 1.72 ERA. Jack Cook deservedly captured this year's Most Improved Player award and Joe Tesarik was voted Most Inspirational. The word for this year is watch out for tomorrow — these players will be back next season.

A good, solid season with considerable promise for the future describes the 1974 O-E Track team.

Highlights of the season included a surprisingly strong 2nd place finish in the league meet. O-E went into the meet in 5th place but because of the 2nd place finish, came out tied for 3rd with Swan Valley over all.

New records were also established: the mile relay team of Smith, Coon, Baese, and Geiger ran a very respectable 3:29.5; Ted Geiger broke the old high hurdle record with a 15.2; Dave Hines broke the mile record in a good time of 4:39.2 and Kirk Baese tied Rick Grusbeck's 880 time of 2:01.6.

All in all, a very respectable year. Well done, fellas!

# ACADEMICS

Mr. Mike Seybert, English

Miss Pat Pohl, English

English classes here at Ovid-Elsie provide us with a basic understanding of our language. There are a variety of courses which include: grammar, speech communication skills, composition and journalism.

## Math: One of Life's . . .

Mr. Richard Hose, Math

Mathematics — bane or boon, friend or foe? Whichever it is for you, all of us need it. Picture trying to get along in this world without it (yeah, seventh heaven). Many of our students do find mathematics stimulating. They enjoy such torture as geometry, algebra, trigonometry, calculus and, yes, even general math. To all you math fiends out there, may you count logarithms in your sleep and may  $x + y (a - b)$  equal a big fat zero in your alphabet cereal.

# Science: Continued Prosperity Or Catastrophic Doom

Science has proven to be of great benefit to humanity as we all well know. Our science students here at O-E know even better. But having seen the movie "Future Shock" in one of this year's assemblies, we wonder if perhaps our scientific know-how may eventually control us rather than we control it. It's something to think about it.

# Business Prepares Students for the World Outside

The Business Education department is one of the most developed in the school system. Students are offered some form of business education from General Business in their freshman year to Steno-Clerical Block their senior year.

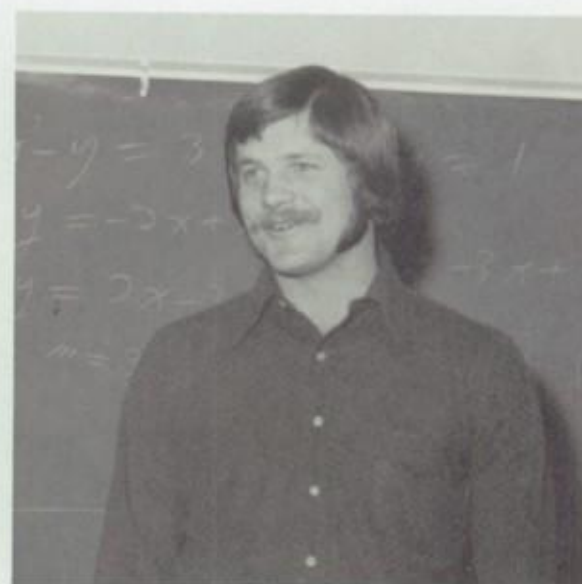

The students are taught diversified forms of typing, filing, book-keeping, etc. The business department has developed from a general typing class to a 2 hour office block.

# Different Ways to Attend School:

## Shared Time

Shared time students are offered an educational opportunity that most of us don't get. They are allowed to get course credit outside of school in a variety of subject areas, such as cosmetology, auto mechanics and nursing. Such course time also gives them a headstart on a career after graduation.

## Co-op

Like their counterparts in Shared Time, Co-op students have an opportunity to benefit themselves through out-of-school course work. The difference is that rather than go to a class outside of school, Co-op students literally go to work outside of school. And what's more, they get paid as well (ah, yes, they have their cake and can eat it too). O-E students work as secretaries, gas station attendants, grocery clerks, bank tellers and more.

1st row, l to r: Poullett Grinnell, Bonnie Huntoon, Deb Miller, Claudia Barrett, Linda Craig, Nancy Batora, Debra Nordahl, Joanne Gruesbeck, Robert Foreback — co-ordinator. 2nd row: Donna Hinkley, Karen Fett, Kathy Foreit, Suzie Selfridge, Robin Reha, Chris Ladiski, Maurine Purves, Charlene Mead. 3rd row: Robin Shivley, Kay Chamberlain, Dave Groom, Jim Brown, Jim Warfle, Rick Bernath, Jim Lawrence, Deb Webster, Bob Brewbaker.

## Make Your Fitness Physical

Miss Barb Anderson (center picture) guides our O-E girls into many kinds of sports, among them track, swimming, basketball, football and volleyball.

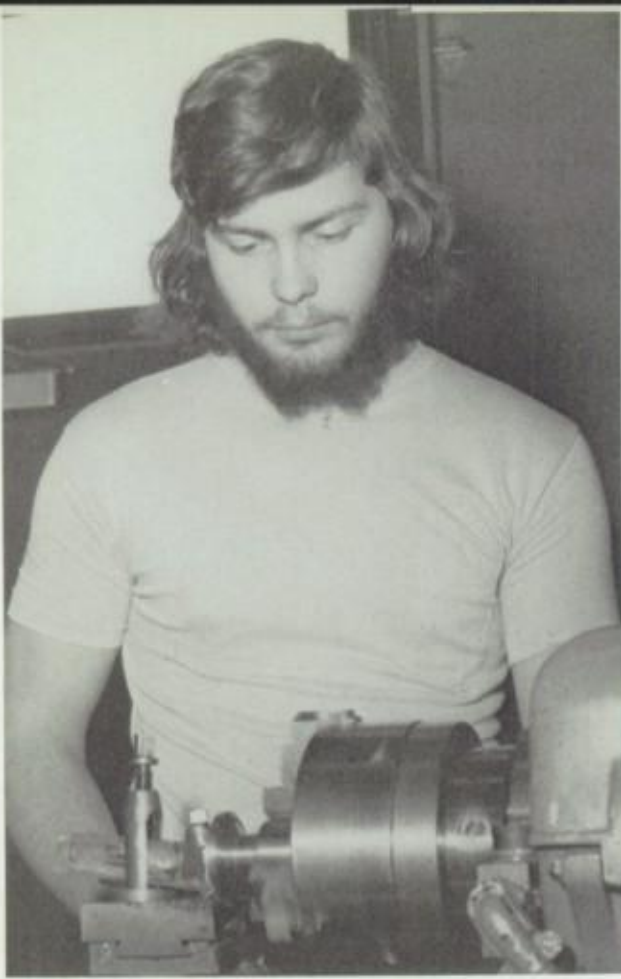

## Guy's Phys. Ed.

Mr. Jim Maidlow (center picture) types up a strenuous final exam to give to his Phys. Ed. boys. Meanwhile, his boys are having a fierce game of volleyball.

# Vocational Ed.: Tomorrow's Artisans

Mr. Steve Hoshal and Mr. Bill Furstenau,  
Vocational Education. Mr. Lawrence Pe-  
ters' picture not available.

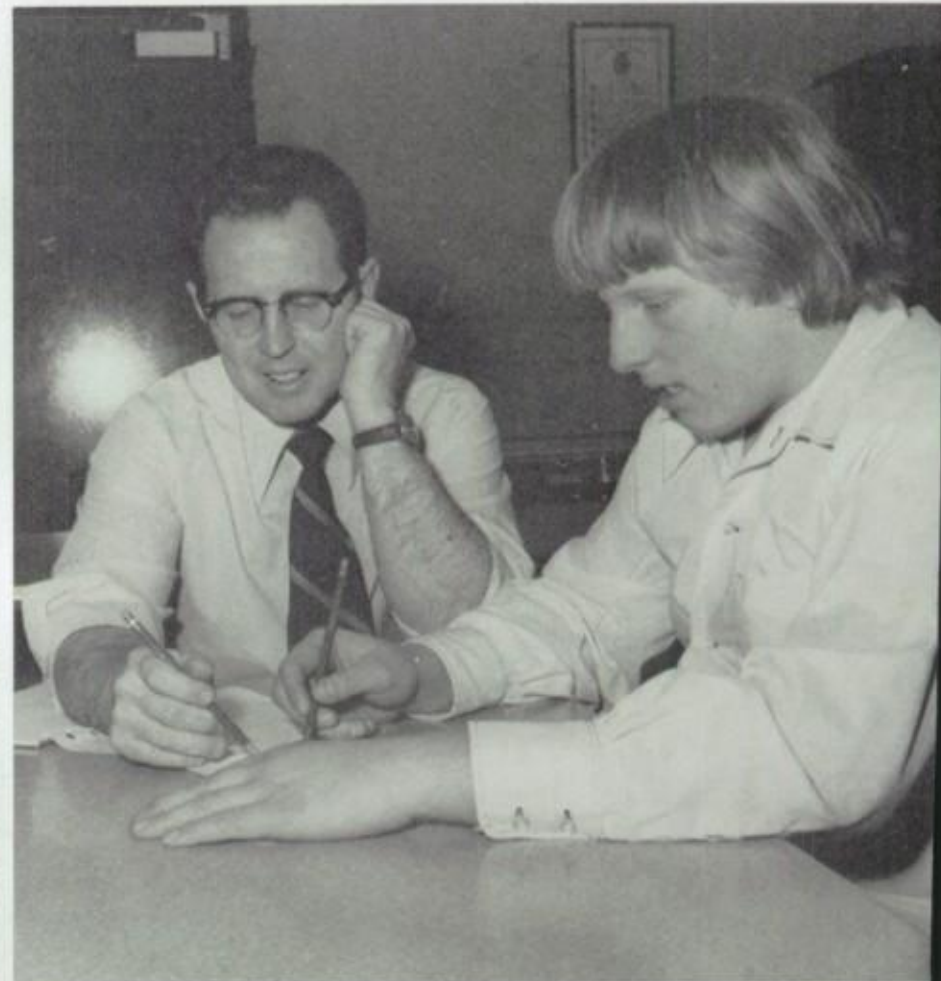

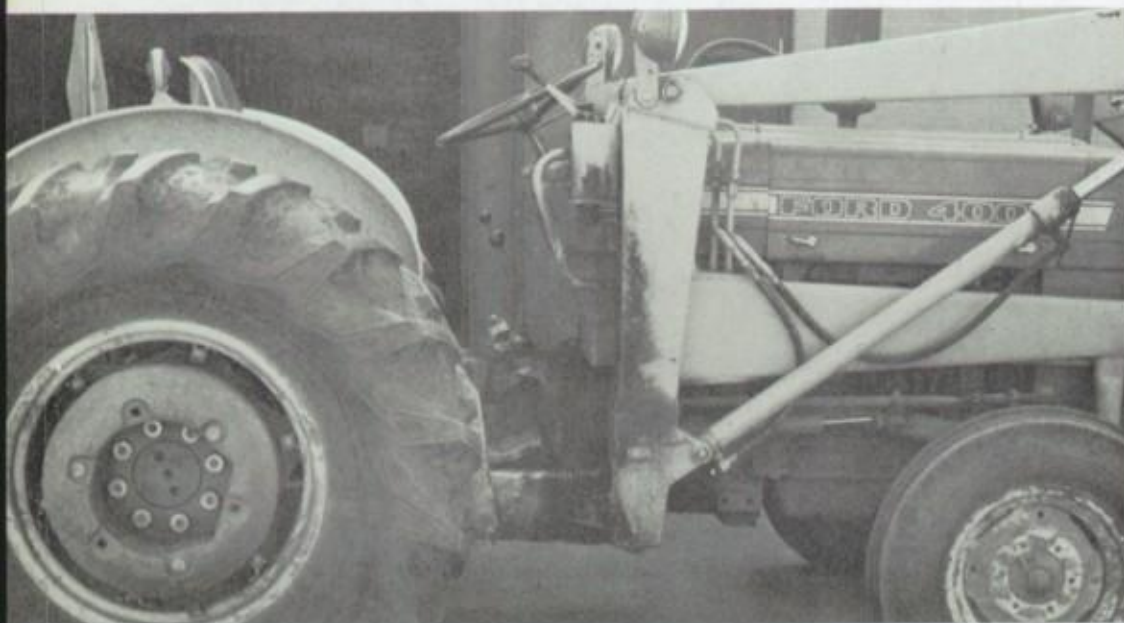

# Resource Room: Where Helping Is an Example to Us All

Mrs. Jeanne Wilkins and Mrs. Tillison work hard with their students who in turn work hard for them. This year saw a new twist in the Resource Room — students there participated in regularly scheduled classes.

# La Lengua de Espanol: Aprendala! (Learn It)

Looking for a challenge? Want to tell your "friends," parents and teachers where to go when you're in one of those moods without their understanding you? Try Spanish, you might be very pleasantly surprised.

Population experts tell us that as the population of Latin America continues to increase, so will the need for more of us to speak Spanish. Logical conclusion: more CAREERS for those who can speak two languages, especially English and Spanish.

Don Barlow, Spanish

# Art the Ultimate Trip

The four year art program at O-E is taught by Mrs. Lynne Bennett. The art class is designed to help you express yourself in such endeavors as weaving, pottery, painting, jewelry making and sculpturing to name just a few.

In first year Art, students are taught the basics of Art. In Art II students are introduced to broader forms of arts and crafts. In Art III and IV students recover their freedom by being able to choose projects to broaden their artistic ability.
